

“Now, if you can find the power switch, flip it on.”

ASK the Expert– Concrete?

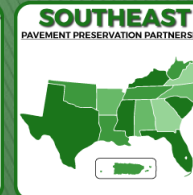

NATIONAL PAVEMENT PRESERVATION CONFERENCE

IMPACTS AND BENEFITS FROM PAVEMENT PRESERVATION

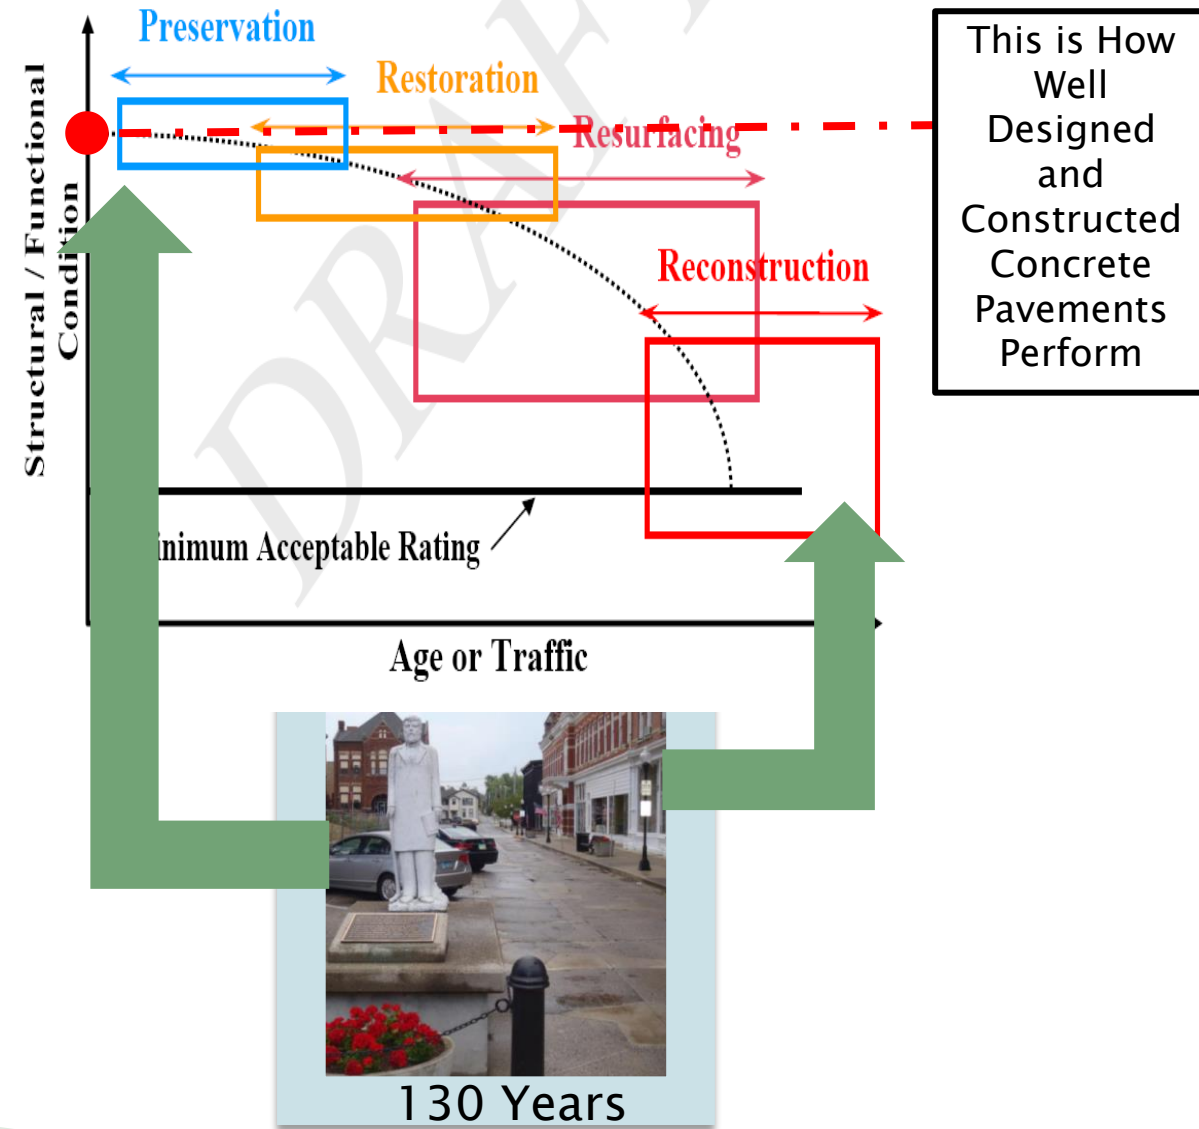

MICHIGAN STATE
UNIVERSITY

Typical Pavement Performance Curve

- ▶ Classic Curve Implies Investments Made Early are More Beneficial
- ▶ Leads to Over Simplification and Anecdotal Approaches in Lieu of Solid data/analysis

All Our Goal Should be To Design and Construct Pavements that Do Not Need Preservation

Original PMS Concept -
Hass and Hudson - 1970s
