Michigan Department of Transportation

ENGAGEMENT

DATA TASK FORCE

- **Treatment Quantity and Cost Database**
 - **Look up treatment types and costs**
 - **Open for all regions**
- **Specification Database**
 - **Links to agency preservation specs**

The screenshot shows the website for the Transportation System Preservation Technical Services Program (TSP2). The header includes the TSP2 logo and the text 'TRANSPORTATION SYSTEM PRESERVATION TECHNICAL SERVICES PROGRAM'. Below this is the 'AASHTO PAVEMENT PRESERVATION' logo. A navigation menu contains links for Home Page, Research, Library, Technical, Pavement Special Provisions, Legislative, and Site Map. The main content area is titled 'Treatment Quantity & Cost Database' and includes links for 'Database Report Info and Terminology' and 'Treatment Data Entry Form'. A link for 'Back to TSP2 Pavement' is also present. A note indicates '1 USD = 1.25 CAD'. Below this is a table titled 'Treatment Database (Responses) : Database' with columns for Preservation Treatment, State/Province, Year, Work Performed, Treatment Service, Estimated Life Extension, and Quantity. The table contains two rows of data.

Preservation Treatment	State/Province	Year	Work Performed	Treatment Service	Estimated Life Extension	Quantity
Chip Seal (Single)	Indiana	2022	Agency	6 years	6 years	6029760
Chip Seal	Indiana	2022	Agency	6 years	6 years	6029760
