ALL MATERIALS, CONSTRUCTION AND FINISHES MUST COMPLY WITH THE MOST STRINGENT APPLICABLE FEDERAL AND LOCAL SAFETY CODES!
This Drawing and the ideas, arrangements, designs and plans contained herein or represented thereby are owned and remain the property of Absolute Production Services and have been created and developed for use on and in connection with the project specified. Neither this drawing, nor any of such ideas, arrangements, designs or plans shall be appropriated by or disclosed to any person, firm or corporation for any use whatsoever, except by specific and written permission of Absolute Production Services.

Written dimensions on Drawings shall have authority over scaled. Contractors and manufacturers shall verify and be responsible for all dimensions and conditions on the job and shall inform the designer of all violations from drawings prior to performing the work. The designer shall first see and approve contractors full-size details before any fabrication is begun.

These drawings represent visual concepts and construction suggestions only. The designer and/or his assistants are not qualified to determine the structural appropriateness of these designs and will not assume responsibility for improper engineering, construction and/or handling of the elements represented herein.
